

Woodchippers / Wheeled Woodchippers / ST6P Wheeled

◀ Back to Wheeled Woodchippers

# ST6P

## 6" CAPACITY / PETROL

Here at Först we said we wouldn't build a sub 750kg wood chipper unless we were so confident in its strength, performance, and longevity that we could place our 3-Year Warranty stamp on it ...

i

We've done it! The ST6P is a genuine, hardy, performance tool; building on the Först reputation of jaw dropping performance and robust, tough construction. Another Först with no holds barred, and bringing you bang up to date ready for the 2019 emissions regulations.

### SPECIFICATION

Feed Roller Aperture

6" x 8" (150 x 200mm)

Feed Roller System

ForstGrip Feed Roller System

## SPECIFICATION

<b>Flywheel System</b>	Open Top Flywheel (640 x 25mm) Twin 8" Blades
<b>Engine</b>	Briggs & Stratton Vanguard – 37hp V Twin Petrol
<b>No Stress System</b>	AutoIntelligence No Stress Device
<b>Feed System</b>	AutoIntelligence Fully Water & Vibration Proof Touch Pads
<b>Capacity</b>	30 Litres
<b>Noise Level</b>	Lwa 122dB
<b>Machine Width</b>	1335mm
<b>Machine Length</b>	3350mm
<b>Machine Height (Chute On)</b>	2280mm
<b>Weight</b>	750kg
<b>Brakes</b>	Fully Braked Chassis & Handbrake

---

## FEATURES

---

### 37HP V TWIN PETROL ENGINE

Hosting a 37HP petrol engine which is much lighter engine than the diesel unit, but putting out more horse power and offering a staggering performance and chipping speed. This engine picks up quicker when the no stress cuts in than a diesel, which means this machine is fast, it's also as fuel efficient as the diesel believe it or not!

### AUTOINTELLIGENCE CONTROL

A simple yet advanced electrical control system taking care of all the electrics on the machine. Historically electrics on plant and machinery are a troublesome – AutoIntelligence overcomes this with a completely water and vibration proof system designed and tested in the toughest environments. This system gives excellent usability and outstanding reliability, it will also make you aware when servicing is due and will recommend routine maintenance.

### CLEAR 30LTR FUEL TANK

Clear easy fill 30 litre fuel tank with large neck for all types of filling method.

### EASY ACCESS ANVIL

Two catches and two bolts to access the service part for the machine. One bolt to remove the anvil

### FOLDING HOPPER

Fold down the hopper with level feed tray and open top for easy feeding of bushy material.

### FORST OPEN FLYWHEEL

Simply phenomenal velocity when chipping. Forst will throw the chip right to the front of your wagon due to the open top flywheel system with large gusseted draught fins

at the rear. Chip is thrown, not blown meaning blockages on wet material are simply not a problem.

### TOUCH BUTTON FEED CONTROL

Illuminated touch pad, IP 69 rated feed controls to remove any possibility of water and vibration issues related to electrics. Easily located at either side of the hopper mean that you don't have to lean over the hopper to use them.

### FORSTGRIP FEED ROLLER SYSTEM

Twin hydraulic horizontal feed roller system offering exceptional grip on timber. The large top feed lifts on an arc, climbing toward the timber rather than lifting straight up and down, this makes climbing butt ends exceptional. High tension due to twin heavy duty springs and a large bearings supporting either side of the top feed roller ensures strength and durability
